Orgnization Briefing	<p>Japan Carbon Finance, Ltd. has been established in November 25th 2004 to purchase carbon credit on behalf of Japan GHG Reduction Fund (JGRF) which was the first carbon fund in Asian countries established in December 2004. JGRF has been funded by 32 Japanese major entities including Japan Bank for International cooperation (JBIC), Development Bank of Japan (DBJ), utilities, trading companies and so on. In addition to JGRF, JCF has currently established second and third fund to purchase further carbon credit for some of fund providers in JGRF.</p> <p>JCF has assisted development of various types of CDM/JI projects such as renewable energy, energy efficiency and waste management, and concluded purchase agreements in more than 30 projects worldwide. JCF also has rich experiences in CDM business in China, especially</p>	

renewable energy such as hydro and biomass.

JCF can assist CDM procedures in development stage and consider how to cooperate between JCF and a project owner to develop the project even in early stage.
