Organization Briefing	<p>Chubu Electric Power Co., Inc. is a vertically integrated electric power company established in 1951. It is the third largest power company in Japan in terms of power generation capacity, electric energy sold, operating revenues and total assets.</p> <p>Besides its activities in Japan, Chubu Electric is also active outside of Japan in the development of both IPP power generation projects and environment related (CDM/JI) projects. For example, Chubu Electric has invested not only in funds such as the Prototype Carbon Fund, the Japan Greenhouse Gas Reduction Fund and the Global-Asia Clean Energy Service Fund but also in biomass CDM projects in Thailand and Malaysia, and IPP gas-fired combined cycle power projects in Thailand, Mexico and Qatar, among other initiatives.</p>
