Organization Briefing	<p>Hangzhou Carbon Trade Environmental Engineering Co.,Ltd Located in beautiful Hangzhou City, is a professional company in environment engineering and renewable energy resources exploitation. As a consultation company, we have a strong and professional team of members woked for and provide comprehensive CDM services for project owners. During the development process, we have gained a lot of exploitation experience in several projects, such as hydropower, CDQ, wind power, refuse incineration and etc. On one side, we cooperate with consultants of different CDM projects consulting companies from different countries, England, Japan and Germany. On the other side, we also cooperate extensively with consulting companies, investing companies and researching organizations in and abroad on CDM projects exploitation. And by the means of finding purchasers for potential CDM projects exploitation in domestic, we have made our own reliable operation channel extensively and built a good and trustworthy relationship closely with chief carbon purchasers abroad.</p>
